

Fees Schedule & Enrolment

Learning Unlimited is a provider of the government's initiative of 20 Hours ECE for three to five-year-olds. The key focus of 20 Hours ECE is to give children more access to early childhood education. There is a minimum enrolment of two booked days and 6.5 hrs per day for the Full day option.

The Ministry of Education requires that under this scheme all children must attend the days and hours on their contract and attestation form, for at least half the days in a calendar month. This will be regularly audited by the Ministry and funding will be discontinued if this is breached.
